Further Thoughts from Sabbath School
Read Ellen G. White, “At Jacob’s Well,” pp. 183– 195, in The Desire of Ages.

“As soon as she had found the Saviour the Samaritan woman brought others to Him. She proved herself a more effective missionary than His own disciples. The disciples saw nothing in Samaria to indicate that it was an encouraging field. Their thoughts were fixed upon a great work to be done in the future. They did not see that right around them was a harvest to be gathered. But through the woman whom they despised, a whole cityful were brought to hear the Saviour. She carried the light at once to her countrymen.

“This woman represents the working of a practical faith in Christ. Every true disciple is born into the kingdom of God as a missionary. He who drinks of the living water becomes a fountain of life. The receiver becomes a giver. The grace of Christ in the soul is like a spring in the desert, welling up to refresh all, and making those who are ready to perish eager to drink of the water of life.”—Ellen G. White, The Desire of Ages, p. 195.

### PRAYER MINISTRIES

**More Prayer Needed as the End Approaches**—Confederacies will increase in number and power as we draw nearer to the end of time. These confederacies will create opposing influences to the truth, forming new parties of professed believers who will act out their own delusive theories. The apostasy will increase. “Some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils” (1 Timothy 4:1). Men and women have confederated to oppose the Lord God of heaven, and the church is only half awake to the situation. There needs to be much more of prayer, much more of earnest effort, among professed believers.—(Selected Messages 2:383.)

If there was ever a time when we should watch and pray in real earnest, it is now. There may be supposable things that appear as good things, and yet they need to be carefully considered with much prayer, for they are specious devices of the enemy to lead souls in a path which lies so close to the path of truth that it will be scarcely distinguishable from the path which leads to holiness and heaven. But the eye of faith may discern that it is diverging from the right path, though almost imperceptibly. At first it may be thought positively right, but after a while it is seen to be widely divergent from the path of safety, from the path which leads to holiness and heaven.—(Testimonies to Ministers and Gospel Workers, 229.)
